Why Register?

NA members often ask "Why Register"? The convention incurs a great deal of expense. These expenses include convention center rental and food purchase requirements that need to be paid prior to the convention. Other expenses are DJ's for the dances, merchandise, programs, items included in the registration packets and printing of flyers.

We believe once participants understand that the funds from registration make the event possible and the funds collected are used for the planning of FRCNA 30, the question "Why Register?"

will be answered. You registration entitles you to attend scheduled events that do not require a ticket.

Monies collected will help carry the message to the addict still suffering.

Newcomer Packages

In line with the belief that we can only keep what we have by giving it away, we offer the opportunity for members to make a special donation to pay for the convention registration of newcomers with 90 days or less clean time.
